CALIFORNIA PROPOSITION 65

Compliance Statement

California Proposition 65 (also known as the Safe Drinking Water and Toxic Enforcement Act of 1986) refers to the California legislation that was intended by its authors to protect California citizens and the State's drinking water sources from chemicals known to cause cancer, birth defects or other reproductive harm, and to inform citizens about exposures to such chemicals.

Based upon The Durham Manufacturing Company's current level of knowledge of our business operations and chemicals used, our products, in their finished form, do not require a California Proposition 65 warning label.

Francis E. Korn
